LAYLOW

EST. NOV 2019

...ceptions on the sanity of anyone who wanted to go to town on a crock
... in this case. For my regal creatures Maggie and Anoushka, however, only
... one type is just fine.

"This place is essentially an architectural M&M - a hard concrete shell with a sumptuous, velvety interior."

OUR STORY

LAYLOW is our social cocktail lounge, tucked away in the historic Asbury Park Press basement below our sister restaurants, Barrio Costero & REYLA.

We opened our doors in November 2019 as a "collaborative lab" for our talented bar team to experiment. The intimate ten-seat bar and surrounding nooks create a spirit-filled but relaxed atmosphere for roamers and seekers to let loose, take in the show, and be inspired.

STEP DOWN. LAYLOW.
